

Volunteer of the Month - February 2007

Councillor Mitchell Tweel is pleased to present the volunteer of the month award for February 2007. The recipients of the City of Charlottetown Parks and Recreation Department "Volunteer of the Month Award" are the members of the Bell Heights Outdoor Rink Committee.

This committee is compiled of a group of neighbours who have come together to create and maintain the community outdoor rink in Bell Heights Park. Roddie Willis is the City contact with the committee and was instrumental in getting this rink in the local park.

When the weather becomes colder the Charlottetown Parks and Recreation Department will do an initial flood of the rink to get a solid base and then the community is responsible for the maintenance of the rink. This group has also installed boards at each end of the surface and provides lights during the evening.

Without the cooperation of the Bell Heights Outdoor Rink Committee the Parks and Recreation Department would not be able maintain all of the other 10 rinks located in the City of Charlottetown successfully. This committee takes pride in their rink and at the end of the day it is truly a community outdoor rink.

Congratulations to the Bell Heights Outdoor Rink Committee on your selection as "Volunteer of the Month" for February 2007.
