

Volunteer of the Month: October 2007

As chair of the Parks, Recreation, and Leisure Activities Committee, Mitchell Tweel is pleased to present the volunteer of the month award for October. The recipient for the City of Charlottetown Parks and Recreation Department "Volunteer of the Month Award" is Calvin MacMillan.

Calvin MacMillan has been involved with the Charlottetown Ringette Association since 1996. He has volunteered in many capacities with the association such as a board member, where he has served terms as the president, treasurer, and secretary. He is currently the ice scheduler with the association.

Calvin is also a ringette coach. He has coached at the house league and provincial level for over 10 years, and he has had the opportunity to coach at three national tournaments.

Calvin's commitment and dedication to ringette within the City and across the province makes him an ideal candidate for this award.

Calvin is married to Phyllis, and they have three children.

Congratulations Calvin on your selection as "Volunteer of the Month" for October 2007.
