

Position Title: **Casual - Fourth Class Power Engineer or Class B Refrigeration Ticket**

Bell Aliant Centre

Closing Date: May 29th – 12:00 pm

The Bell Aliant Centre, also known as the CARI Complex, located on the campus of the University of Prince Edward Island is seeking names of responsible persons to form a resource bank to backfill, as required, for daily inspection of its refrigeration plant operations. (ammonia based)

This is not full time work. Persons on this list must be readily available if called upon, to conduct inspections at the plant in order to meet the recently revised Provincial regulations. Requisite qualifications are Class B Refrigeration or Fourth Class Power Engineer. Compensation negotiable.
