*Summary of Bylaw Amendments at end of Bylaw*

#### PART 1: DEFINITIONS

1. In this Bylaw
  - 1.1 **"Bicycle"** means every device propelled by human power upon which a person may ride, having two (2) tandem wheels;
  - 1.2 **"Bus"** means any motor vehicle designed for carrying more than seven (7) passengers and used for the transportation of persons; and any motor vehicle, other than a taxicab, designed and used for the transportation of persons for compensation;
  - 1.3 **"Centre-Line"** means
    - (a) the centre of a street measured from the curbs or in the absence of curbs, from the edges of a street; or
    - (b) on a street where there are more lanes available for traffic in one direction than in the other direction, the line dividing the lanes for traffic in different directions;
  - 1.4 **"Crosswalk"** means that portion of a street ordinarily included within the prolongation or connection of curb lines and of property lines at intersections or any other portion of a street clearly indicated for pedestrian crossing by lines, or other markings on the surface, signs, or other devices;
  - 1.5 **"Curb"** means the border of that portion of a street intended for vehicular traffic whether elevated or not;
  - 1.6 **"Disabled Parking"** means parking areas reserved for those vehicles displaying the appropriate permit as with a marked impairment of mobility;
    - (a) **"Disabled Parking Only"** means parking or leaving any vehicle in any place, in contravention to a traffic control device, which gives notice that parking is reserved for disabled parking, notwithstanding the fact that such parking space is a meter space;
  - 1.7 **"Disabled Parking Permit"** means the appropriate permit as issued by the P.E.I. Council of the Disabled or its equivalent, issued to persons with a marked impairment of mobility;

## TRAFFIC BYLAW

- 1.8 **“Highway”** means the entire width between the boundary lines of every road, street, lane, alley, or right-of-way designed or intended for or used by the general public for the passage of vehicles, and includes any bridges over which every such road, street, lane, alley, or right-of-way is laid, and every private place or passage way to which the public, for the purpose of the parking or servicing of vehicles, has access or is invited;
- 1.9 **“Intersection”** means the area enclosed within the prolongation or connection of the lateral curb lines or, if there are no curb lines, the lateral boundary lines of two (2) or more streets that join one another at an angle, whether or not one street crosses the other;
- 1.10 **“Jaywalk”** means the act of any person who crosses a street or roadway
- (a) other than at a properly marked crosswalk; or
  - (b) without regard to official traffic signals and official traffic signs;
- 1.11 **“Left”** or **“Left-Hand”** in reference to a street or the position of traffic thereon means the left when facing or moving in the direction of travel;
- 1.12 **“Loading Zone”** means a street or a portion of a street set aside for the exclusive parking or use of commercial vehicles for the purpose of loading and unloading merchandise, or goods of any kind;
- 1.13 **“Motorcycle”** means a motor vehicle, other than a tractor, having a saddle for the use of the rider and designed to travel with not more than three (3) wheels in contact with the ground and includes a bicycle with a motor attached and a motor scooter;
- 1.14 **“Motor Vehicle”** means a vehicle that is powered, drawn, propelled or driven by any means other than muscular power, but does not include a vehicle of a railway that operates on wheels;
- 1.15 **“Moped”** means a vehicle that:
- (a) is provided with an electric motor or motor having a piston displacement no greater than 50 cubic centimeters (or 3.05 cubic inches);
  - (b) is not capable of obtaining speed of greater than 50 km/h (or 30 m/h) on the level when driven by a person weighing 60 kilograms (or 132 pounds); and
  - (c) has no more than three (3) wheels in contact with the ground;
- 1.16 **“No Stopping Sign”** means a sign bearing the words “NO STOPPING”;
- 1.17 **“No Stopping Zone”** means the area between “NO STOPPING” signs;
- 1.18 **“Official Traffic Signals”** means not inconsistent with the Highway Traffic Act, R.S.P.E.I. 1988, CAP. H-5, placed or erected in accordance with the Traffic Bylaw for the purpose of

## TRAFFIC BYLAW

directing, warning or regulating traffic;

- 1.19 **"Official Traffic Signs"** means signs and devices not inconsistent with the Highway Traffic Act, R.S.P.E.I. 1988, CAP. H-5, placed or erected in accordance with the Traffic Bylaw for the purpose of directing, warning or regulating traffic;
- 1.20 **"One-Way Roadway"** means a roadway or street designated by the City Council under this Bylaw as a roadway or street upon which vehicles may be operated in one direction only;
- 1.21 **"Owner"** means:
- (a) in the case of a motor vehicle that is registered pursuant to the provisions of the Highway Traffic Act, R.S.P.E.I. 1988, CAP. H-5, the person in whose name the motor vehicle is registered; or
  - (b) in the case of a registered or unregistered motor vehicle that is subject to a lease agreement, the person who is lessee under the lease agreement; or
  - (c) in the case of a motor vehicle that is not registered pursuant to the provisions of the Highway Traffic Act, R.S.P.E.I. 1988, CAP. H-5 as amended, the person who holds the legal title to the motor vehicle;
- 1.22 **"Park"** or **"Parking"** means the standing of a motor vehicle, whether occupied or not, upon or partly upon a roadway or street, otherwise than temporarily for the purpose of and while actually engaged in loading and unloading or in obedience to traffic regulations or traffic signs and signals:
- (a) **"Angle Parking"** means the motor vehicle is parked at an angle to the curb;
  - (b) **"Over-Curb Parking"** means the motor vehicle is parked at right angles to the curb or at any indicated angle or otherwise and off the travelled surface of the street;
  - (c) **"Parallel Parking"** means the motor vehicle is parked parallel to the curb;
- 1.23 **"Pedestrian"** means a person on foot, an invalid in a wheelchair or a child in a carriage or sleigh;
- 1.24 **"Police Officer"** means a police officer, police commissioner or police constable appointed by and for the City of Charlottetown;
- 1.25 **"Private Parking Lot"** means a tract or parcel of real property affecting or belonging to a private individual or corporation, as distinct from the public generally, which is used primarily for the parking or storing of motor vehicles;
- 1.26 **"Provincial Court Judge"** means a judge of the Provincial Court appointed pursuant to the Provincial Court Act, R.S.P.E.I. 1988, CAP. P-25, as amended;

## TRAFFIC BYLAW

- 1.27 **"Restricted Parking"** means parking or leaving a vehicle in a parking space, excluding a meter space, contrary to any traffic control device or devices regulating the parking space;
- 1.28 **"Safety Zone"** means an area or space set apart within a street or roadway for the exclusive use of pedestrians and that is protected or so marked or indicated by adequate signs or devices so as to be plainly visible at all times as a safety zone;
- 1.29 **"Sidewalk"** means that portion of a street or roadway between the curb lines or the lateral lines of a street and the adjacent property lines set apart for the use of pedestrians;
- 1.30 **"Stop Sign"** means a sign bearing the word "STOP";
- 1.31 **"Street or Roadway"** means the entire width between the boundary lines of every road, street, lane, alley, or right of way designed or intended for or used by the general public for the passage of vehicles and includes every private place or passageway to which the public, for the purpose of the parking or servicing of vehicles, has access or is invited;
- 1.32 **"Taxicab"** means a motor vehicle, other than a bus, used to transport passengers for compensation;
- 1.33 **"Traffic"** includes pedestrians, motor vehicles and other conveyances either singly or together while using any street or roadway for purposes of travel;
- 1.34 **"Traffic Control Device"** means a traffic sign, traffic control signal, marking or device not inconsistent with the Highway Traffic Act, R.S.P.E.I. 1988, Cap H-5 as amended, placed, erected or approved and provided by the Protective Services Committee;
- 1.35 **"Traffic Control Signal"** means a device whether manually, electrically or mechanically operated, by which traffic is alternately directed to stop and to proceed, or to proceed with caution;
- 1.36 **"Traffic Sign"** includes all traffic control signals, warning sign posts, parking signs, direction posts, signs, lines, marks or other devices for the guidance of persons using the streets or roadways;
- 1.37 **"Travelled Portion"** means that portion of the street intended for vehicular traffic and bounded on each side by the curb;
- 1.38 **"Truck"** means
- (a) a motor vehicle designed, used or maintained primarily for the transportation of goods, material or property, and weighing more than three thousand kilograms (3,000 kg) according to the registration certificate of the vehicle, and
  - (b) a tractor, roller, grader, backhoe, pay loader, road building or road maintenance

## **TRAFFIC BYLAW**

equipment, or construction equipment, other than truck type vehicles, regardless of weight;

- 1.39 **“Truck Route”** means a highway in the Municipality approved for the passage of trucks;
- 1.40 **“Vehicle”** means every device in, upon or by which a person or property is or may be transported or drawn upon a street or roadway, excepting devices used exclusively upon stationary rails or tracks;
- 1.41 **“Yield Right-of-Way”** sign or "yield" sign mean a sign bearing "YIELD RIGHT OF WAY" or "YIELD" symbol;

### **PART II: PROTECTIVE SERVICES COMMITTEE**

- 2. 2.1 To ensure the safety of the public, the proper movement of traffic, the parking of vehicles, or the proper and safe performance of some vital function of the City, the Protective Services Committee of the City Council, hereby authorizes and empowers, the Chief of Police or his designate, in concert with the Public Works Manager or his designate:
  - (a) to place or erect or cause to be placed or erected, traffic control devices at such locations within the City of Charlottetown as it may deem necessary or advisable;
  - (b) to maintain all traffic control devices placed or erected within the City of Charlottetown;
  - (c) to make and enforce special regulations and restrictions to cover emergencies or special conditions affecting vehicular traffic and parking of vehicles;
  - (d) to close for any temporary purpose, any street or part thereof;
  - (e) to designate any area or areas within the City of Charlottetown as parking meter zones.

### **PART III: POLICE OFFICERS**

- 3. 3.1 Every police officer is hereby authorized to enforce the provisions of this Bylaw.
- 3.2 Police officers are hereby authorized to direct all traffic, either in person or by means of visible or audible signals, in accordance with the provisions of this Bylaw.
- 3.3 In the event of a fire or other emergency or in order to expedite traffic or safeguard persons or property, a police officer (or a member of the Fire Department, in the vicinity of a fire) may direct traffic or close street(s), as conditions require, notwithstanding the provisions of this Bylaw, and every other person shall obey his instructions.

## **TRAFFIC BYLAW**

### **PART IV: TRAFFIC CONTROL DEVICES**

4. 4.1 All traffic control devices existing at the time of the coming into force of this Bylaw and allowed to remain thereafter shall be taken as placed and authorized by the Chief of Police and Public Works Manager.
- 4.2 The existence on or near a street or roadway of a traffic control device referred to in the Highway Traffic Act, R.S.P.E.I. 1988, CAP. H-5 or regulations is prima facie evidence that the traffic control device was duly erected and is maintained by the Protective Services Committee in accordance with this Bylaw if the traffic control device purports to regulate the use of the street or roadway.
- 4.3 Except when a police officer directs otherwise, drivers of vehicles and pedestrians shall obey the instructions of a traffic control device in accordance with this Bylaw.

### **PART V: SPEEDING**

5. 5.1 No person shall drive a vehicle on a street or any other place at a rate of speed that is greater than is reasonable and prudent under the conditions or at any rate of speed that is likely to endanger any person or the safety of any property, and unless otherwise posted, the rate of speed for all vehicles being driven on streets within the City of Charlottetown shall not exceed 40 kilometers per hour (or 25 miles per hour).

### **PART VI: LEFT TURNS**

6. 6.1 Notwithstanding anything otherwise appearing in this Bylaw, no driver of a vehicle shall make a left turn at the intersection of Queen and Grafton Streets.
- 6.2 Every driver of a vehicle approaching and entering the intersection on Queen or Grafton Streets shall proceed as follows:
  - (a) When traveling straight through the intersection on Queen or Grafton Streets he shall approach and continue through the intersection in the part of the right half of the roadway that is nearest the centre line;
  - (b) When turning right at the intersection of Queen and Grafton Streets he shall approach and continue through the intersection in the right half of the roadway that is nearest the curb;

### **PART VII: SCHOOL SAFETY PATROL**

7. 7.1 A school authority may, with the approval of the Police Department, place at any intersection near schools in the City of Charlottetown at such times as it considers advisable

## **TRAFFIC BYLAW**

any of the older students of the school or any other person to safeguard all students using the intersection.

- (a) Such student shall be distinguished by wearing an orange belt and shoulder band or in the case of inclement weather, shall wear an orange rain cape and shall, when so placed at an intersection and distinguished, have the right to control the movement of students across the intersection;
- (b) Any person, other than a student, who is designated to safeguard all students at any such intersection shall be distinguished by wearing an orange vest, shall carry a stop sign and shall, when so placed and distinguished, have the same control over traffic at such intersection as any police officer would have.

7.2 All drivers of vehicles proceeding through an intersection, where a student or other person, designated pursuant to Section 7.1 of this Bylaw, is safeguarding the students using the intersection shall obey the instructions of the student or person.

### **PART VIII: MISCELLANEOUS PROVISIONS**

- 8. 8.1 No person or driver shall allow horses to stand or be on or near any street of the City unless in the immediate control of the driver or otherwise adequately secured.
- 8.2 No person shall operate or cause to be operated a sleigh on any street unless a sufficient warning bell is provided.
- 8.3 No person shall drive or cause to be driven, within the City limits, any vehicle drawing more than one trailer or semi-trailer.
- 8.4 No person shall repair any vehicle upon the travelled surface of any street unless it be impossible to remove the vehicle elsewhere.
- 8.5 No person shall wash any vehicle upon any public street.
- 8.6 No children or any other persons shall play or loiter upon the travelled surface of any street.
- 8.7 No person shall jaywalk upon any street or roadway.
- 8.8 Whenever a fire occurs in the City, the Fire Chief shall have the right to bar vehicles from such an area in the vicinity as he may see fit, but no vehicle on any pretence shall be permitted without special leave from the Fire Chief to go on that portion of the street by the face of the block in which the premises are on fire, or on that portion of the street upon or from which the firemen are operating at the fire.
- 8.9 No vehicle shall be driven in the City with its headlights on high beams.

## TRAFFIC BYLAW

- 8.10 (a) No person shall operate a motorized snow vehicle on the City of Charlottetown streets, sidewalks or public property within the boundaries of the said City, unless specifically so authorized by Resolution of City Council or in cases of emergency by the Police Department.
- (b) No person shall operate a motorized snow vehicle on any property within the City of Charlottetown so as to disturb by excessive noise or otherwise any inhabitant of the said City.
- 8.11 (a) No person shall operate a:
- (i) motorcycle
  - (ii) miniature motorcycle, or
  - (iii) moped
- on public property excluding streets and roadways within the boundaries of the City of Charlottetown, unless such a person is specifically so authorized by resolution of Council on the recommendation of the Protective Services Committee.
- (b) No person shall operate a:
- (i) mini-bike
  - (ii) motorized bicycle
  - (iii) motorized tricycle or
  - (iv) motorized go-kart
- on public property within the boundaries of the City of Charlottetown.
- (c) No person shall operate a:
- (i) motorcycle
  - (ii) miniature motorcycle
  - (iii) moped
  - (iv) mini-bike
  - (v) motorized bicycle
  - (vi) motorized tricycle, or
  - (vii) motorized go-kart
- on any property within the boundaries of the City of Charlottetown so as to disturb with excessive noise or otherwise any person within the boundaries of the said City.
- 8.12 No person shall drive any vehicle over any parking area or service station area for the purpose of avoiding a street intersection, or for any purpose other than to park or do business in such area, and any person who shall there drive without obviously attempting to park or to do business upon such area respectively shall be deemed to have contravened this Section.
- 8.13 If any pedestrian be properly crossing or attempting to cross any street upon a crosswalk at any intersection or elsewhere if marked or indicated, then no person shall drive any vehicle

## **TRAFFIC BYLAW**

upon such crosswalk until such pedestrian shall have passed over the same.

- 8.14 No person shall drive a truck on any highway in and as controlled by the City, except as permitted in Schedule "D" and as follows:
- (a) A person may, for the purpose of making a delivery or collection of goods or supplying a service at a location off a truck route and while using truck routes until unable to continue to do so, drive the truck on those highways forming the most direct accessible connection between the nearest truck route and the delivery point, collection point or service point for merchandise or materials, and shall also return to the truck route by those highways forming the most direct accessible connection.
  - (b) Where the person has a subsequent delivery or collection to make, or subsequent service to provide, in the same area, he may proceed to make the subsequent delivery or collection or service before proceeding by the most direct accessible connection to the nearest truck route.
  - (c) If any truck is stored at a location off the truck route, a person may drive the truck to and from the place where it is stored, and in so doing shall drive it on those highways forming the most direct, accessible connection between the storage location and a truck route.
- 8.15 The City shall erect signs, to indicate to drivers of trucks the highways permitted to be used as truck routes.
- 8.16 The provisions of this Bylaw shall not apply to municipal vehicles or public utility vehicles while actively engaged in maintenance and repair work on a highway or utility appurtenances included therein, or to Police or Fire Service vehicles or equipment.
- 8.17 Every person who violates or fails to comply with any of the provisions of Section 8.14(a), (b) or (c) is guilty of an offence punishable on summary conviction and liable to:
- (a) A minimum fine of not less than \$100.00 and not more than \$500.00; or
  - (b) Imprisonment for a term not exceeding ninety (90) days; or
  - (c) Both;
- and in default of payment of any fine imposed, to imprisonment for a further term not exceeding ninety (90) days.

## **PART IX: PARKING METERS**

## TRAFFIC BYLAW

9. 9.1 For the purpose of this part, the following words shall have the following meaning:

- (a) **"Parking"** means allowing a vehicle to remain at rest whether occupied or not and for any period of time whatsoever;
- (b) **"Parking Meter"** means an electronic, digital or mechanical device for the purpose of controlling and regulating the parking of a vehicle in a parking space and devised to indicate the parking time or cumulative time purchased by the payment of a fee therein:
  - (i) by indicating the passage of the time directly on the machine and indicating by signal, closure or otherwise, the expiry of the time purchased on an adjoining parking space, or
  - (ii) by issuing a receipt indicating the date and time of activation and the duration of parking time purchased in or on a designated parking space;
- (c) **"Parking Meter Zone"** means the street or part of streets or squares designated by this Bylaw for metered parking and such streets or parts of streets or squares as shall from time to time be designated by the Protective Services Committee of the City Council under the authority hereof;
- (d) **"Parking Space"** means a portion of the surface of a street or square designated by surface markings;
- (e) **"Parking Meter Space"** means a portion of the surface of a street or square designated by surface markings, the use of which is controlled and regulated by a parking meter;
- (f) **"Excessive Overtime Parking"** means parking or leaving a vehicle in any parking meter space for a period in excess of the maximum allowable time for the controlling parking meter;
- (g) **"Reserved Parking Meter Space"** means a portion of the surface of a street or square designated by surface markings, the use of which is controlled and regulated by a parking meter, which upon an approved application has been reserved, through rental, for commercial use. All reserved spaces shall be clearly marked through the use of an approved lockable meter;
- (h) **"Commercial Use"** means a company or individual associated with the construction or service industry, who have applied for a reserved parking meter space (under Section 9.5(b)), for the purpose of carrying out construction or service work, to situate a commercial vehicle, construction equipment or garbage dumpster in the said space;
- (i) Notwithstanding any other provisions of this Bylaw, where parking meters have

## TRAFFIC BYLAW

been erected, no person shall park a vehicle or permit a vehicle to remain parked in a parking meter space on any street between the hours of 8:00 a.m. and 6:00 p.m. on Monday, Tuesday, Wednesday, Thursday, and Friday, excepting legal holidays, and from any other times as declared by Resolution of Council unless:

- (1) The person using the parking meter deposits the correct fee in Canadian or American coins or credit card to purchase the desired portion of the time period posted on the parking meter, and
- (2) The meter is activated by either turning the handle to indicate the unexpired time paid for, or by issuing, and properly displaying on the vehicle's dashboard, a receipt which indicates unexpired time paid for, in accordance with the rate per hour;

- 9.2 No person shall park or leave a vehicle in any parking meter space controlled by a parking meter, for any continuous period in excess of the maximum time allowed by the parking meter controlling the parking space, regardless of the amount deposited, and whether the observation window displays the word "violation" or "expired" or "time expired" or in the case of a digital meter "00:00" or where the parking duration authorized by an issued receipt has expired;
- 9.3 Everyone who fails to comply with any condition of a reserved meter space agreement entered into by him, pursuant to this Part is guilty of an offence.
- 9.4 Each parking meter shall indicate the charge for the period or periods of time purchasable.
- 9.5 No person shall deposit any slug, dice, metallic substance or any other substance, device or substitute for the proper Canadian or American coins in any parking meter.
- 9.6 Where a parking meter adjoins a parking meter space it controls, no person shall park any vehicle in any parking meter space unless the front of the vehicle is alongside or as close as practical to the parking meter controlling it.
- 9.7 No person shall alter any receipt issued for a parking meter space.
- 9.8 No person shall use or display any receipt not issued by the electronic, digital or mechanical device used to control and regulate parking in a parking meter space.
- 9.9 The placing or removing of parking meters shall be sufficient notice of zoning or rezoning of a parking meter zone.
- (a) By order of the Protective Services Committee or its designate, the operation of parking meters in any parking meter zone, or any part thereof may be temporarily suspended;
  - (b) The Protective Services Committee or its designate may approve reserved meter

## **TRAFFIC BYLAW**

spaces to companies or individuals applying and meeting the requirements of this Part;

- (c) For the purpose of this Part, the Protective Services Committee or its designate of the City Council is hereby authorized and empowered to establish fees associated to the administration as follows:
  - (1) administration fee;
  - (2) refundable deposit;
  - (3) daily rental fee;
- (d) The Protective Services Committee or its designate shall approve and provide all lockable meter coverings provided for in this part.

9.10 Every Police Officer is hereby authorized to remove or cause to be removed or take into custody any vehicle and cause to be taken and stored in a safe and otherwise suitable place and all costs and charges for the removal, care and storage shall be a lien upon the vehicle if any of the following acts do occur:

- (a) A person repeatedly violates Sections 9.1(i)(1) and (2) and 9.2;
- (b) A person or vehicle is found to have outstanding meter violations;
- (c) A person who repeatedly violates any other Section of this Bylaw.

### **PART X: GENERAL PARKING**

- 10. 10.1 No person shall park or leave any vehicle in any place in contravention of a traffic control device which gives notice that parking is thereby prohibited or restricted.
- 10.2 Unless displaying an appropriate permit, no person shall park or leave any vehicle in any place, in contravention of a traffic control device, which gives notice that parking is thereby reserved for disabled parking only, notwithstanding the fact that such parking space is a meter space.
- 10.3 No person shall stop, stand, or park a motor vehicle
  - (a) in any No Stopping Zone;
  - (b) subject to Section 10.3, in any loading zone except for a period not exceeding thirty (30) minutes and only for the purpose of and while actively engaged in loading or unloading merchandise or goods of any kind.

## TRAFFIC BYLAW

- 10.4 To allow ease of loading and unloading motor vehicles which have a length of 6 meters (20 ft.) or greater and to prevent congestion and blocking of traffic, the Protective Services Committee has designated loading zones on the block of the City bounded as follows:
- (a) by Grafton Street on the South between University Avenue and Queen Street;
  - (b) by Queen Street on the West between Grafton Street and Kent Street;
  - (c) by Kent Street on the North between Queen Street and University Avenue; and
  - (d) by University Avenue on the East between Kent Street and Grafton Street.
- 10.5 No person shall stop, stand or park any motor vehicle in any loading zone designated to accommodate motor vehicles of 6 meters (20 ft.) or greater in length unless:
- (a) the person is actively engaged in loading or unloading merchandise or goods of any kind from a motor vehicle of 6 meters (20 ft.) or greater in length; and
  - (b) the person is engaged in loading or unloading between the hours of 7:00 a.m. and 10:30 a.m.
- 10.6 For the purpose of Section 10.5(b), the maximum time period of thirty (30) minutes, as set out in Section 10.3(b) does not apply.
- 10.7 For the purposes of Section 10.4, the length of 6 meters (20 ft.) referred to shall be inclusive of both cab and trailer.
- 10.8 Except when necessary to avoid conflict with traffic or to comply with the law or with the directions of a police officer, no person shall stop, stand or park a vehicle on a street so that the vehicle or any part of it is:
- (a) on a sidewalk or an area generally used or intended for use by pedestrians;
  - (b) within an intersection;
  - (c) within a crosswalk;
  - (d) in front of a public or private driveway;
  - (e) within 2.5 meters (or 2.75 yds.) from the point on the curb or edge of the roadway immediately opposite a fire hydrant;
  - (f) within 12 meters (or 13 yds.) upon the approach to any intersection so designated;

## TRAFFIC BYLAW

(g) on the street side of a vehicle stopped or parked at the edge or curb of a street, otherwise known as "double parking".

10.9 No person shall park any vehicle in any parking zone in such a manner that is not wholly within a single area designated or a parking space.

10.10 No person shall, except in a space especially indicated therefore, park any vehicle on any part of a public square or any public property whatsoever with the exception of streets or roadways, except as otherwise stated.

10.11 No person shall park or leave any vehicle on the travelled portion of any street or square between the hours of 11:00 p.m. and 6:00 a.m. from the 15<sup>th</sup> day of November to the 15<sup>th</sup> day of April, both dates inclusive or such other dates as City Council may approve;

(13) The Police Department shall give notice in any newspaper published in Charlottetown of the dates when the prohibition as described in Section 10.11 concerning the overnight parking or leaving of vehicles in any area or areas of Charlottetown shall be in effect.

13.1 No person shall leave a vehicle standing or parked on a street;

(a) so as to obstruct or hamper the removal or other disposition of snow on such street;

(b) in a position that causes it to interfere with fire fighting;

(c) in a position that causes it to interfere with the normal flow of traffic in the street; or

(d) in a position that causes it to interfere with the construction, improvement, alteration, extension, widening, marking or repair of the street;

(e) in a No Stopping Zone;

(f) in contravention of any provision of this Bylaw;

(g) for a period of twenty-four (24) hours or longer.

13.1 When an unattended vehicle is

## TRAFFIC BYLAW

- (13) parked contrary to Section 10.12; or
  - (13) apparently abandoned on or near a highway, a police officer may
  - (13) remove the vehicle;
    - (ii) require the driver or person in charge of the vehicle to move it to a position determined by the police officer; or
    - (iii) take the vehicle into his custody or cause it to be taken and stored in a safe and otherwise suitable place;and all costs and charges for the removal, care and storage shall be a lien upon the vehicle.
- 10.14 In order to determine the time which a vehicle has been parked in a location where parking is restricted to a specific time, a Police Officer or other person charged with the enforcement of parking prohibitions and restrictions may place an erasable chalk mark on the tire of the parked or stopped vehicle without such Police Officer or the City incurring any liability for so doing.
- 10.15 The City of Charlottetown may by action taken in any court of competent jurisdiction recover as a civil debt due the City of Charlottetown from the owner the cost of removal, storage and care of a vehicle referred to in this Section.
- 10.16 No action or other legal proceedings shall lie or be brought against a police officer or against the City of Charlottetown, its agents, or employees in respect of anything done under this Section where the action or other proceedings are not based on malfeasance or misfeasance.
- 10.17 Every police officer is authorized to remove or cause to be removed any unauthorized or abandoned vehicle from any private parking lot within the City, at the sole responsibility and expense of the owner of any such vehicle provided that the police have such written request for such action by the owner of any such private parking lot within the City.
- 10.18 The written request once made by the owner of the parking lot will remain in force until withdrawn by such owner. The owner of the parking lot shall notify the police of the license number and the make of the vehicle to be removed.
- 10.19 The owner of a private parking lot shall provide to the City of Charlottetown a written agreement indemnifying the City of Charlottetown against any loss or cause of action which may arise upon such action referred to in Section 10.17 by a police officer.

## **TRAFFIC BYLAW**

- 10.20 A white line marked on a street shall prohibit parking along such street curb or side, and no person shall park a vehicle over or beside such portion of a curb or street side as so marked by a white line.
- 10.21 Except when necessary to do so in order to comply with traffic regulations or with the indications of traffic signs or traffic signals, no driver of a vehicle shall park such vehicle on a street otherwise than parallel with the edge of the street, headed in the direction of traffic and with the curbside wheels of the vehicle within 300 millimeters (12 in.) of the edge of the street, except as provided in the following paragraphs:
- (a) In such areas as may be marked or designated for angle parking, vehicles shall be parked at the angle indicated by such marks, and no vehicle of a greater overall length than an ordinary private passenger vehicle shall be parked in any area reserved for angle parking;
  - (b) In such areas as may be marked or designated for overcurb parking, vehicles shall be parked over the curb at right angles thereto or at any indicated angle, and no part of such vehicle shall project upon the travelled surface except to such extent as is necessary to prevent projection over a sidewalk.
- 10.22 No person shall park or cause to be parked any vehicle upon a street for the purpose of selling or exchanging the same.
- 10.23 No person shall stop or park or cause to be parked any vehicle on any street for the primary purpose of displaying advertisements.

## **PART XI: VEHICLE WEIGHT**

11. 11.1 No person shall park or leave any vehicle in excess of 3,859 kilograms (8,500 lbs) gross vehicle weight in the area designated in Section 11.2 on the travelled portion of any street or in any public loading zone while making deliveries of merchandise to any wholesalers, retailers or any other business establishment between the hours of 10:30 a.m. in the forenoon and 5:30 p.m. in the afternoon.
- 11.2 Pursuant to Section 11.1, the designated area is confined as follows:  
bounded on the North by Fitzroy Street;  
bounded on the East by Prince Street;  
bounded on the South by Richmond Street;  
and on the West by Pownal Street.

**TRAFFIC BYLAW**

- 11.3 Sections 1(a), 1(c), 1(f), 1(i), 1(k), 1(m), 1(o) to 1(u), 49, 50, 51, and 52 of the Roads Act, R.S.P.E.I. 1988, Cap. R-15, as amended, are hereby mutatis mutandis incorporated into and form part of this Bylaw and are hereby deemed to be in force on all Streets and Roadways within the City.
  
- 11.4 The “Vehicle Weight Restrictions” as amended from time to time, made pursuant to the Roads Act, R.S.P.E.I. 1988, Cap. R-15, as amended, are hereby mutatis mutandis incorporated into and form part of this Bylaw and are hereby deemed to be in force on all Streets and Roadways within the City, *with the exception that any references in the “Vehicle Weight Regulations” to Table 1 or Table 2 shall mean Table 1 or Table 2, respectively, of this Bylaw.*

**PART XII: RESIDENTIAL PARKING PERMITS**

12. 12.1 The purpose of this Part is to regulate residential parking in established zones of the City by the issuance of residential parking permits.

12.2 In this Part:

- (a) **“Dwelling Unit”** means one or more rooms together with private lavatory accommodations and one kitchen, and designed and/or used for exclusive residential occupancy;
- (b) **“Permit”** means a Residential Parking Permit issued pursuant to Section 12.6 and which has not expired;
- (c) **“Permit Holder”** means a person who is in legal possession of a permit;
- (d) **“Residential Parking Permit Zone”** means that portion of a street or streets reserved for exclusive parking by the permit holders thereon and designated as such by adequate signs or devices;
- (e) **“Residential Parking Permit Area”** means an area or areas of the City wherein permits may be issued to residents who comply with Section 12.5.

12.3 For the purpose of this Part, the Protective Services Committee of the City Council is hereby authorized and empowered:

- (13) To establish residential parking permit zones within the City as it may deem

## TRAFFIC BYLAW

necessary or advisable;

- (13) To maintain all residential parking signs placed or erected within the City, pursuant to this Part;
- (13) To maintain all residential parking zones previously established as per Schedule "C" attached, subject to permit renewal;
- (13) To establish fees for residential parking permits;
- (13) To establish residential parking permit areas within the City as it may deem necessary.

12.4 All residential parking permit zones established by the Protective Services Committee pursuant to Section 12.3 shall be marked by traffic control devices which shall have displayed upon them the words "Residential Parking Permit Holders Exempt" beneath a symbol or words which indicates that parking is prohibited or restricted.

12.5 Anyone who

- (a) is the registered owner or lessee of a
  - (i) passenger automobile;
  - (ii) motorcycle;
- (13) van or truck not greater than  $\frac{3}{4}$  ton in capacity; and
- (b) resides in a building
  - (i) containing no more than three (3) dwelling units prior to October 26, 1979,
  - (ii) deemed pursuant to Section 12.3 to be within a residential parking permit

and  
area,

and

- (c) has no on-site parking space available and is unable to provide one,

may apply to the Chief of Police or his designee for a permit or a renewal of a permit.

12.6 Upon receipt of an application, the Chief of Police, or his designee, shall issue a permit in respect of a vehicle, the owner or lessee of which has provided satisfactory proof of compliance with Section 12.5 to the Chief of Police or his designee.

12.7 A permit holder is not exempt from compliance with any parking restriction, winter parking restriction or other restriction contained in any other part of this Bylaw.

12.8 The permit shall be applicable only to the street and the block on which the applicant

## **TRAFFIC BYLAW**

resides and shall clearly display the license number of the applicant's vehicle.

- 12.9 A permit is not transferable to another person or party and remains valid only as long as the Owner or lessee of the vehicle resides in the dwelling identified on the application.
- 12.10 The permit shall be placed in the lower right hand corner of the rear window of the vehicle so as to be clearly visible from the exterior, except for motorcycles, in which case the permit shall be located on the forks or rear mud guard.
- 12.11 A permit expires:
- (13) on the 31<sup>st</sup> day of December in each year; or
  - (13) when the requirements as set forth in Section 12.5 are no longer met.
- 12.12 (a) Any permit holder wishing to make application for a subsequent year must apply pursuant to Section 12.5 on or before December 31<sup>st</sup> of the year in which the permit is in effect;
- (13) Where a permit expires pursuant to Section 12.11, the holder of the permit shall report the change in circumstances to the Chief of Police or his designee.
- 12.13 (a) Anyone who obtains a permit by false information is guilty of an offence and liable on summary conviction to a fine of not less than \$25.00 and not more than \$100.00;
- (13) Anyone who fails to comply with the provisions of Section 12.5 is guilty of an offence and liable on summary conviction to a fine of \$25.00 per day for each day subsequent to the date of the change in circumstances, and each such day constitutes a separate and distinct offence;
  - (13) Anyone who contravenes any other provisions of this Part is guilty of an offence and liable on summary conviction to a fine of not less than \$25.00 and not more than \$100.00;
  - (13) Anyone who owns or operates a vehicle to which a permit has been issued and who has been convicted of two or more offences against this Part will have his permit revoked.
- 12.14 In addition to the penalties imposed by Section 12.13, where a vehicle is parked contrary to this Part, a Police Officer may take the vehicle into his custody and cause it to be taken or stored in a safe and otherwise suitable place and all costs charged for the removal, care and storage shall be a lien upon the vehicle, recoverable against the owner or lessee.

## **PART XIII: ENFORCEMENT**

## TRAFFIC BYLAW

13. 13.1 In addition to the procedures set out and adopted by the Criminal Code (Canada) and the Summary Proceedings Act, R.S.P.E.I. 1988, CAP. S-9 and amendments thereto for laying an information and issuing a summons, an information may be laid and a summons issued by means of a traffic ticket in accordance with this Bylaw for any violation of any provisions of this Bylaw.
- (a) The traffic ticket utilized pursuant to this Bylaw shall consist of a minimum of two parts:
- (i) Notice of Violation,
  - (ii) Copy of Notice of Violation;
- (13) The form of the traffic ticket issued pursuant to this Bylaw shall be as set out in Schedule “A” to this Bylaw, and the words or expressions used on the traffic ticket to designate a violation shall be deemed sufficient for all purposes to describe the offence designated by such word or expression;
- 13.2 It shall be the duty of all Police Officers:
- (a) To report the location of any vehicle in respect of which any violation of this Bylaw has occurred, the permit number or other sufficient identification of the vehicle involved in the violation, the time of occurrence, and any other details indicative or reasonably required;
- (b) To deliver to the owner or operator of the vehicle a serially numbered notice of violation portion of a traffic ticket or to attach to such vehicle the said serially numbered notice of violation portion of a traffic ticket, directed generally to the owner or operator of the vehicle and requiring him to report to the officer on duty at the City Police Station and to present such notice;
- (c) To deliver the police record portion of the traffic ticket to the officer on duty at the City Police Station.
- 13.3 (a) Each owner or operator may, within seven (7) days of the time when such notice is delivered to him or attached to his vehicle, pay at City Hall or the officer on duty at the City Police Station, the minimum amount as set forth in Schedule “B” Column 3 as a penalty for and in full satisfaction of such violation;
- (13) Upon failure of such owner or operator to make the foregoing payment within the said seven (7) days, the said owner or operator shall become liable for prosecution under this Bylaw.

## TRAFFIC BYLAW

- 13.4 The Summons to appear in court shall be served:
- (a) By personal delivery to such owner or operator; or
  - (b) By registered postage prepaid and acknowledgment of receipt addressed to the owner or operator at his last known address as shown in the records of the Highway Safety Division, Department of Transportation and Public Works, Province of Prince Edward Island. Production of Acknowledgment of Receipt Card is prima facie proof that service was served on the owner or operator at the last known address as shown in the records of the Highway Safety Division, Department of Transportation and Public Works; or
  - (c) Upon delivering to a person over the age of eighteen (18) years at the last known address of the owner or operator as shown in the records of the Highway Safety Division, Department of Transportation and Public Works, and an affidavit of the person delivering the said summons, sworn to before a Commissioner for taking Affidavits in and for the Province of Prince Edward Island is prima facie proof that service was effected on the owner or operator whose last known address is shown in the records of the Highway Safety Division, Department of Transportation and Public Works.
- 13.5 Unless otherwise provided by this Bylaw, any person convicted of an offence against this Bylaw shall be adjudged to pay a fine of an amount not more than the maximum nor less than the minimum amount prescribed for such offence in Schedule “B” and in the Schedule appearing opposite the number, or letter or both of the section, subsection, or clause and the statement of the offence, and in default of payment or satisfaction of such fine to suffer imprisonment for a period not longer than the maximum nor shorter than the minimum period for the offence in the Schedule prescribed and therein appearing opposite the number or letter of the section, subsection, or clause and the statement of the offence.
- (a) The terms “Max” and “Min” wherever used in Schedule “B” mean “Maximum” and “Minimum” respectively.
  - (b) Any person charged with any offence against this Bylaw and having been served with a summons pursuant to Sec 13.2 may plead guilty and pay a fine in the amount prescribed for such offence in Column 5 of Schedule “B” appearing opposite the number, letter or both of the section, subsection or clause and the statement of offence, being the penalty for an out of court settlement.
- 13.6 A person who violates any provision of this Bylaw, if no other penalty for the violation is provided herein, is liable to a fine of not less than one hundred dollars (\$100.00) and not

## **TRAFFIC BYLAW**

more than three hundred dollars (\$300.00).

- 13.7 The owner of a motor vehicle shall be liable for and incur the penalties provided for any violation of this Bylaw and by any driver of the vehicle, except a driver in possession contrary to the owner's will and consent, proof of which shall be on the owner and nothing herein shall relieve the driver from liability in place of the owner.
- 13.8 A copy of any writing, paper or document filed in the Court or any statement containing any information from the records of the Highway Safety Division, Department of Transportation and Public Works, Province of Prince Edward Island, purporting to be signed by the Registrar of Motor Vehicles or his Representative shall be received in evidence in Court without proof of the signature and is prima facie evidence of the facts contained therein as to the names of the owner and address of the owner of the said vehicle.
- (a) An engraved, lithographed, printed or otherwise mechanically reproduced facsimile signature of the Registrar of Motor Vehicles or his Representative is sufficient authentication of any such copy or statement;
  - (b) Judicial Notice shall be taken of this Bylaw by the Provincial Court Judge without being specifically pleaded.

### **PART XIV: GENERAL**

14. 14.1 The Bylaw to regulate traffic in the City of Charlottetown heretofore enacted and all bylaws or parts of such as may be inconsistent with this Bylaw, saving only such as are contained in the bylaw for the management and regulation of the Victoria Park Promenade and Roadway, are hereby repealed.
- 14.2 The provisions of this Bylaw regulating the movement, parking and stopping of vehicles, shall not apply to the machinery of street maintenance, nor to fire or police vehicles, nor to ambulances while operated in their respective proper services.

### **PART XV: TRANSITIONAL**

15. 15.1 On or after the coming into force of this Bylaw, no proceedings may be commenced under the previous Bylaw as so defined by that Bylaw.
- (13) Where, before the coming into force of this Bylaw, proceedings are commenced under the previous Bylaw in respect of an act alleged to have been committed pursuant to the previous Bylaw, the proceedings and all matters consequent thereon may be dealt with in all respects as if this Bylaw had not come into force.

## TRAFFIC BYLAW

- (13) For the purpose of this Section, proceedings are commenced by the issuing of a notice of violation.

### **PART XVI: INTERPRETATION**

16. 16.1 In this Bylaw, words of the singular import the plural, and words of the masculine gender include the female gender and vice versa.

- (13) It is declared that if any section, subsection, part or parts of this Bylaw be declared by any court of law to be bad, illegal, or ultra vires, such section, subsection, part or parts shall be deemed to be severable and all parts hereof are declared to be separate and independent and enacted as such.
